RE: 10/045,968

Dear Mr. Chin,

I do here by elect to proceed with examining the apparatus claims 1-18 drawn to an adjustable cleaner brush, classified in class 15, subclass 106.

In doing so, I understand that claim 19, method for cleaning a drive chain, classified in class 134, subclass 6 will be voided from this patent application.

Thank you for your time and consideration on this patent.

Sincerely,

Eric Silvers
